Online Registration and PAC Meeting Information

MHS winter sports registration is online only. To register go to: www.tonkaactivitiesregistration.com . Note the following *required procedures with this new online registration:

1. If you have not registered for fall sports or activities yet this school year, you will need to create a **NEW family login and password**. Once you have created this, the online registration will connect you to your middle and high school students for you to choose which student you wish to register.
2. **SPORTS PHYSICALS.** All MSHSL sanctioned sports athletes are required to have a sports physical on file dated within 3 years that **must remain current throughout the sports season** they are participating in. ***NEW THIS YEAR:** If your student does not have a current sports physical on file with the MHS Activities Office, or it will expire during the season, **you will not be able to register them for winter sports until a current one is on file.** To see what date is currently on file, go to your student's SSO/Student Skyward and under their Health Information choose "Physical" to see what date is on file.
3. You will be asked to provide your student's 6-digit school ID# (noted as "Other ID" in Student Skyward).

***IMPORTANT:** If you are a **transfer student, foreign exchange student** or **requesting a scholarship:** Prior to registering, you must first complete the respective form located under High School Files and Links located on the right hand side of the online registration homepage.

The MHS Activities Office is open Monday through Friday from 7:30 a.m. - 4:00 p.m. We are accepting online registrations only. If you are not able to register online at home, we have laptops available for your use in the MHS Activities Office.

Questions regarding registration? If you have difficulty creating your family log-in or registering, please click on the "Need Help?" option at the top of the registration homepage. There is also a "Contact Us" option if you have any registration questions for the Activities Office Staff.

***In order to participate on the first day of practice, all registration fees must be paid and online forms completed.**

SCHOLARSHIPS are available, although we ask that each family help as much as possible. If you need financial assistance you must fill out a scholarship request application form located online on the registration homepage in the Resources section. Once completed, please contact Activities Office Staff listed above for further registration instructions.
